

LOCAL NEWS.

STOLEN BACON.—It will be recollected that last week two young men were arrested in this city, upon suspicion of having stolen bacon in their possession, but released upon the receipt of a telegram from a firm in Philadelphia substantiating their statements. The same parties have been arrested and imprisoned in Washington, as is seen by the following, from the National Intelligencer: "On Friday evening officer George O. Miller obtained information from officer Walsh, of Alexandria, that some parties were in that city with a lot of fine hams, which they were attempting to sell at fourteen cents per pound—a figure much below the market value. Officer Miller, with his partner, officer Howes, instructed a diligent inquiry, and on Saturday evening they ascertained that two men had left a lot of sixty hams with Mr. William Bryan, and at once made up their minds to watch who would call for it. On inquiry at the wagon stand they found a boy, who, on Friday, took a load of hams to Alexandria, where about twenty were sold, and returning to the city left them at Mr. Bryan's. This morning the officers named above noticed two men going into Mr. Bryan's, and took them into custody. They were taken to the Central Guard-house, where they were locked up. They gave the names of Charles Charlestown and Henry Reinstein, and stated that they purchased the meat from a firm in Philadelphia, but some of our merchants think that it is Baltimore cured meat. The meat in possession of the police numbers sixty hams, and is valued (wholesale prices) at \$225."

MEXICO.—We have received from Major Cornelius Boyle a printed plan of the settlement of the Hacienda of San Lorenzo, in Mexico, of which he is the authorized agent. The terms offered to actual settlers upon this tract of land are liberal, and the inducements to emigrants, as set forth in an appended topographical description of the locality, by our former townsmen, Col. George H. Smith, are by no means uninviting. Major Boyle, who has just returned from Mexico, and is now on a visit to his numerous friends in Orange county, represents, as we are informed, that the accounts so persistently reiterated in the Northern newspapers of the unpopularity of the Emperor Maximilian's Government among the native inhabitants of Mexico, are, for the most part, utterly devoid of foundation in fact, but that the stability of his government is ardently desired, with but few exceptions, by all the respectable and law-abiding people of the country as the only preventive of anarchy and general ruin.

THE GAMING LAW.—Complaints have been frequently made about the practice of hunters ranging on "posted" grounds near this city. As some offenders may be in ignorance of the trespass law existing in this county, and may so render themselves liable to its penalties, we publish an extract from an act of the Legislature, passed February 20th, 1866.

"If any person shall hunt, shoot or range with or without dogs on the lands of another, without the consent of the owner of such lands, or shall fish or fowl on the lands or in the water courses comprehended in the survey of any proprietor, or shoot along any public road, he shall be deemed guilty of a trespass, and shall be fined for each offence five dollars, the fine to be doubled in every instance if the offence be committed in the night or on Sunday, to be recovered before any justice of the peace, and shall forfeit his gun and shooting apparatus, and his dog or dogs shall be killed."

THE MANASSAS GAP RAILROAD.—The locomotive Shenandoah, one of the engines belonging to the Manassas Gap Railroad Company, and which had to be hauled by oxen, across the country, from Warrenton, has reached its destination, and been placed upon the track, and is in use. The job was a tedious and difficult one, but under the supervision of Maj. Hunter Johnston, the Chief Engineer of the road, was successfully accomplished, and the work of hauling the iron and track laying will now progress more rapidly. We are pleased to learn that the Company are pushing on the work of repair upon the road, and that by December or January at farthest the Manassas Gap Railroad will again be in operation.

SALE OF DANIEL'S ISLAND.—The property known as Daniel's Island, situated one mile above Lynchburg, and belonging to the Orange & Alexandria Railroad Company, was sold on Saturday at public auction. The upper part of the land, west of the railroad, containing 13 acres sold for \$61 per acre; the lower part, containing 11 acres, brought \$186 per acre. Of the whole only some nine or ten acres are at present in a tenable condition. T. H. Love, Esq., was the purchaser of both parcels.

REPORTED BURNING OF SENECA MILL.—Yesterday morning some boatmen came to Georgetown with the report that Seneca Mill, with the warehouse, was entirely destroyed by fire Saturday night. This news bears the appearance of possibility, as another boatman declared that he saw a dense smoke in that direction, but did not know the cause of it. The mill has just been rebuilt, it having been destroyed in 1864.

STATUS.—A gentleman of this city, was very much astonished this morning, upon rising, to find a number of curious, slimy looking animals, crawling about the floor of his room. He caught several of them and brought them down the street, where he was soon informed that they belonged to a species of the snail called the slug.

BATTERY RODGERS.—General Order No. 62, Headquarters Department of Washington, October 12, announces that Brevet Colonel C. L. Best, Captain Company "F," 4th United States Artillery, will immediately, with his company, relieve the garrison now stationed at Battery Rodgers.

GOVERNMENT WOOD.—The auction sale of government wood will be resumed to-morrow, at the wood-yard in the northwestern section of the city.

AQUARIUM ROBBED.—The aquarium of Mr. Robert Rainey, of the Cameron House, was robbed this morning of one of its occupants—a small turtle. If the unfortunate animal has not yet been made into soup, no questions will be asked, and a drink given for its return.

Sarah Hart, for disorderly conduct, and the use of abusive language, was fined and discharged.

Patrick McCann, a boy about ten years old, arrested for the robbery lately committed at the Loudoun and Hampshire Railroad Depot, was, in consequence of his age, only committed to the Work House for ninety days. Mary Curran, mother of Patrick McCann, arrested for receiving the fruit stolen by her son from the Loudoun and Hampshire Railroad Depot, on Sunday last, was discharged upon her own recognizance.
